

FlexPod 1/4"

Multi-purpose mini stand

This multi-purpose mini stand is suitable for use with EasyCross, CompactCube, SmartVision and SmartCross laser products. The position and height of the laser measuring devices can be easily adjusted. A Velcro fastener allows the stand to be fixed to profiles and roof laths. The stand's feet have non-slip rubber caps for stability.

- Height and position of the measuring device easily adjustable
- Hook and loop fastener for fixing to shafts, profiles and roof beams
- Fold-out stand feet with non-slip rubber caps
- Suitable for EasyCross laser, CompactCube lasers, SmartVision lasers and SmartCross lasers
